Commerce and Business Administration

Dean's Office

Business Records Correspondence 1906, 1925, 1937-46

This material contains chiefly correspondence between Dean Charles Thompson and corporations, Chambers of Commerce, banks, railroads, utilities, and trade organizations relating to the dean's efforts to collect, preserve, and make available for research annual reports, corporate histories, in-house publications, manuals, and advertising literature in order to document the history of American business. The correspondence dates chiefly from 1937 to 1946.
