Oral History Audio Tapes

This box contains 21 audio cassette recordings of oral history interviews conducted by Blair Kling and the students of an undergraduate history seminar which Dr. Kling taught in 1978. The subjects of the interviews include prominent university administrators, faculty members and students. The topics discussed range widely, but generally center around issues of academic freedom and the resignation of President George Stoddard from the University in 1953. The counter numbers given below were taken from the Archives' portable Marantz audio deck.

Processing Note:

The Blair Kling Papers consists of two accessions. Duplicates and secondary literature were weeded from the collection. There was no original order for accession #2, therefore an order was imposed. Series 1 and 2 are arranged alphabetically and Series 3 is arranged chronologically. Original folders and folder titles have been maintained. Folders titled by the archivist are indicated in brackets ([]). The second accession was processed by Vinny Bartholomew under the supervision of Susanne Belovari on 07/14/2021.
