Agriculture

Agricultural Economics

Departmental Subject File, 1912-1936

Box 1:

Correspondence before 1935 - dI - (A-G)

1 address, September, 1932

Layman's conference, M. E. Church

"Christianity's Economic Opportunity in the Economic Crisis" - an address before the Layman's Association, Illinois Conference, Methodist Episcopal Church, Springfield, September 15, 1932 by Dr. Charles L. Stewart, Associate Professor of Agricultural Economics, University of Illinois, Urbana

Summary of Speech - Calls upon the Christian Churches to take an active role in the problems of the day, in particular "The present economic war." Disagree with those on the one hand who say that Christianity is out of date in modern society and those in the other side who think the church should have nothing to do with politics.

Addresses, 1931-1936

"Will Expanded Consumption of Alcoholic Beverages Help or Hinder Agriculture?"
