College of Agriculture
Agricultural Economics
William D. Buddemeier Papers, 1963-1975

Box 1: Correspondence on topic of establishing agricultural college in Nepal, 1970-1975; and in Sierra Leone, 1963-1968

Nepal, 1970

Correspondence between University of Illinois and United States Agency for International Development (USAID) regarding feasibility of dispatching a University of Illinois survey team to Nepal to study potential for agricultural education programs; University of Illinois survey team's finished report with recommendations to USAID.

Nepal 1972

Correspondence regarding possibility of sending a second University of Illinois survey team to Nepal, under auspices of Midwest Universities Consortium for International Activities, Inc. (MUCIA); Pre-feasibility Study - Agricultural Education Planning in Nepal; proposal in response to USAID Request for Proposal No. 10.

Nepal, 1974

National Educational System Plan for Nepal; University of Illinois College of Agriculture Proposal for Higher Education Program for the Institute of Agriculture and Animal Sciences in Nepal; correspondence relative to housing/salary/travel arrangements/living conditions in Nepal.

Nepal, 1974

Final report of MUCIA team in Nepal, Higher Education in Agriculture in Nepal - The Report of a Pre-Feasibility Study; correspondence regarding MUCIA's receipt of AID's request for a proposal; submission of final AID proposal by University of Illinois.

Nepal, 1975

Contractor Cecil D. Smith's report on conditions in Nepal; correspondence between University of Illinois and AID, which indicates that University of Illinois did not win contract.
