Engineering

Dean's Office

Bulletins and Announcements, 1907-09, 1913-14, 1919-21, 1924-27, 1936, 1940, 1946, 1962-

Box 1:

University of Illinois Bulletin, Vol. VI, March 8, 1989, No. 21, College of Engineering,
University of Illinois, Equipment and Work

University of Illinois Bulletin, Vol. VII, February 7, 1910, No. 23, College of Engineering,
University of Illinois, Equipment and Work

University of Illinois Bulletin, Vol. VII, February 7, 1910, No. 23, College of Engineering,
University of Illinois, Equipment and Work

University of Illinois Bulletin, Vol. V, February 1, 1908, No. 14, College of Engineering,
University of Illinois, Equipment and Work

University of Illinois Bulletin, Vol. VI, March 8, 1909, No. 21, College of Engineering,
University of Illinois, Equipment and Work

The Illinois Engineer, Vol. XVI, December, 1940, No. 8

The University of Illinois, College of Engineering, The Transportation Building, the Locomotive
Laboratory, the Mining Laboratory

University of Illinois, College of Engineering, Time Table, 1907-1908

University of Illinois, College of Engineering, Time Table, 1907-1908

University of Illinois, College of Engineering, Time Table and Directions for Registration, 1908-
1909

University of Illinois, College of Engineering Time Table and Directions for Registration, 1910-
1911

University of Illinois, College of Engineering Time Table and Directions for Registration, 1911-
1912

University of Illinois, College of Engineering Time Table and Directions for Registration, 1912-
1913

University of Illinois, College of Engineering Time Table and Directions for Registration, 1913-
1914

Registration Program, Second Sem. 1920-21, College of Engineering

Registration Program, Second Semester, 1923-1924, College of Engineering

Enrollment Record, College of Engineering, University of Illinois, 1914-15

Registration Program, First Semester, 1924-1925, College of Engineering

Registration Program, First Semester, 1925-1926, College of Engineering

Registration Program, First Semester, 1926-1927, College of Engineering

Registration Program, Second Semester, 1926-1927, College of Engineering

University of Illinois Bulletin, Vol. V, June 15, 1908, No. 29, Circular of Information of the College of Engineering, 1908-1909

University of Illinois Bulletin, Vol. VII, January 16, 1910, No. 20, Circular of Information of the College of Engineering, 1910-1911

University of Illinois Bulletin, Vol. VI, April 19, 1909, No. 27, Circular of Information of the College of Engineering, 1909-1910

The College of Engineering of the University of Illinois, Information Relating to the Faculty, Buildings, and Equipment and the Engineering Experiment Station, Urbana, Illinois, June, 1907

University of Illinois Bulletin, Announcement of the College of Engineering, 1936

University of Illinois Bulletin, Vol. XXXIII, January 14, 1936, No. 20, College of Engineering Summer Courses, Electron Tubes and Their Applications, Theoretical and Applied Mechanics, General Engineering Drawing, Descriptive Geometry, Surveying and Physics, June 15 to August 8, 1936, Urbana, Illinois

Humanities and Social Sciences for Engineering Students, 1968-1969

University of Illinois Bulletin, College of Engineering, 1946

University of Illinois Bulletin, Announcement of the College of Engineering, 1940

Conference Proceedings, 1962

By-Laws – August 29, 1991

Some Facts About, 1980-

Continuing Education in Engineering

Recruitment Brochures, 1975-

Engineering Events, 10-2

Engineering Promotional Brochures, ca. 2014
