Engineering

Dean's Office

Short Course and Conference Announcements and Proceedings, 1926-

Box 1:

Short Course in Coal Utilization, 1935, 1937

Short Course for Diesel Plant Operators, 1957-59

"Laboratory Oriented Studies for Engineering Students", 1968

Engineering Career Counselling, 1962-63

Engineering Technology for Junior College Instructors, 1969

Extramural Courses, Off-Campus Credit, 1985-91

Industrial Gas Short Course, 1926-30

Engineering Institute on Industrial Safety, 1949, 1952-54

Short Course for Institutional Power Plant Engineers, 1957, 1959-61

Professional Engineering Course, 1958-61, 1964-65, 1973-77, 1980, 1984-87

Solid Mechanics Conference, 1953

Surveying & Right of Way, 1959

Spreadsheet Usage for Engineering Analysis, 1987
