11/6/9
Engineering
Electrical Engineering
Research, Program, and Facility Proposals, 1959-1963, 1981-1988

Box 1:
Proposals for New Research Facilities (Bldg., Equip., Maintenance, etc.)
Center for Compound Semiconductor Microelectronics
Hewlett-Packard Proposal
Transfer Student Program
Faculty Mentor Program
Revised EE Curriculum
EE and CS Curriculum (Now Computer Engineering)
Work Study Graduate Assistantships
Flood Reports and Other Disasters in EERL
Ultrasonix Proposal
Ford Foundation, 1959-1963

Box 2:

College of Engineering Industrial Research Advisory Board
Microelectronics Research Program
College Network
College of Engineering and College-Wide Proposals and Facilities
Semiconductor Research Coop. (SRC)
Cognitive Science/AI Initiative
Software Engineering Institute
IBM Research Cooperative
Supercomputer (Campus/College)
NSF Research Centers
NSF Research Centers (Proposals)
Integrated Circuits Fabrication Lab Proposal
Engineering Revitalization
MBE Center
Department Proposals
Computer Aided Design Facility
Microelectronics Center
Microelectronics Center Proposal
