Engineering

Mechanical and Industrial Engineering

Norman A. Parker Papers, 1948-52, 1954-61

Box 1:

American Society for Engineering Education, 1954-56

Engineers Joint Council, 1954-56

Constitution and Proposed Changes, 1954-56

Applicants for Membership, 1954-56

Awards, Lamme and Westinghouse, 1955-56

Council Meetings and Committees (Miscellaneous Data), 1954-56

Minutes of General Council, Joint Council and Executive Board, 1954-56

Engineering and Scientific Manpower, 1954-56

Agenda and Programs, 1954-56

Correspondence, 1952-56

Engineers Council for Professional Development, 1960-61

Minutes, Memoranda, Reports of Speeches, accreditation report, reinspection report on Mechanical Engineering Department at Illinois.

National Bureau of Economic Research Publications, May 1960

Research and Development discussion at Conference on the Economic and Social Factors Determining the Rate and Direction of Inventive Activity.

Box 2:

University

Committee on Educational Policy, 1949-51 (3)

Reports to Senate, Minutes, graduate programs, course additions, degree programs and admission requirements.

Architects Selection Committee, 1956-59

Federal Support of University Projects Committee, 1956-59

Building Program Committee, 1958-59

Harker Hall, land acquisition.

Building Program Committee, 1959-60

Student Rehabilitation Center, Materials Research Laboratory, signs.

10-Year Building Program and Bond Issue, 1959-60

Campus Planning Committee, 1960-61

College

College of Engineering Policy and Development Committee - Subcommittee on Nontechnical Elective Courses, 1949-51

Minutes, 1949-50

Possible Courses, 1950

Present Courses, 1950-51

Other Universities' Courses, 1949-50

Miscellaneous Data, 1949-50

Land Grant Institutions, 1950
Reports, 1949-50
Engineering Philosophy and Methods Committee, 1952
College of Engineering, Committee on Professional Degrees in Engineering, 1949-52: correspondence, regulations, reports, practices at other universities.

College of Engineering, Policy and Development Committee, 1959-61
Long-range planning.

Department

Teacher Training Program, 1948-49, in Mechanical Engineering
Interdepartmental Communications and Reports, 1949-50, 1960
Addresses, Notes and reports on mechanical engineering department curriculum, graduate work, engineering education and professional meetings.
Reprints, 1956
Freshman Lecture Material, 1957-60 (talks and visitations).
Mechanical Engineering, 1959-61
newsletters, graduate program research, curricula committee reports, laboratory development, teaching.
Fluid Mechanics Instruction, 1960
