 40th International Congress of Americanists, Rome, 1972  
 Boletin Informativo, Savings and Credit, 1963  
 Piper, Arthur, Unedited fieldnotes from Guabug, Ecuador: includes a sampling of a series of tests (picture, sentence completion, circle) of 33 individuals from Guabug. Also general census information, data on landholdings, general descriptions of individuals. In English and Spanish; collected between May and August, 1967.  
 Klumpp, Kathleen, Unedited fieldnotes from Peguche, Ecuador: Notes include test results (sentence completion and work association); data on marriage patterns; oral histories; commentaries on attitudes toward Indians and beliefs held about them; application of kinship terminology; observations of interaction between Indians and non-Indians; historical data; synthesized census data; the writings of Michi Quimbo de Guerrero. In Spanish; summer of 1967.  
 Belote, Linda and James Belote, Unedited field notes from Saraguro, Ecuador: Notes are typed and arranged chronologically. Information is identified in each entry by subtopic, informant and date. A table of contents is provided, and chronological entries are cross-indexed by topic (kinship, Indian-white relations, community organization, Oriente, cattle, economic, religious). There is also a more detailed alphabetical index of subtopics. In English. Collected between 2/68 and 8/68.

## Folklore y artesanía - A. Fuentes, 1976-77

Box 34: Research: Ecuador, Archivo General de Indias, Sevilla - 34 rolls of negative 35 mm. film; Rumazo Quito File, 3-16mm. cassettes; British Museum, 1 roll of 35 mm. microfilm; Mendel Film from Lilly Library, Indiana University, 2-35 mm. rolls.

Contents include indices: The Social Position of Ecuadorian Indians in the Colonial Times and After Independence; indice de rollos; indice alfabetico de lugares; indice abreviado.

British Museum, London, England: Collection of microfilmed documents relating to colonial Ecuador. Includes following references: PS 11788; ADD 13977; KINGS 219; EG 1809; ADD 13.976; EG 1810. On one roll of approximately 400 photograms.

Archivo General de Indias, Seville, Spain: Collection of microfilms of documents relating to colonial Ecuador, Colombia and Peru. Added notes and transcriptions. Series: Audiencias de Quito, Santa Fe, Lima; Estado; Escribania de Camara; Patronato; Justicia. Collection supervised by Joseph B. Casagrande with funding from the National Science Foundation. See pages 23-32 for a summary of contents.

Box 35: Archivo Nacional de Historia, Quito, Note Cards

Archivo Nacional de Historia: Collection of notecards for documents in the National Archive of Ecuador (Quito) relating to the colonial indigenous history of highland Ecuador. Compiled by J. B. Casagrande. Collection consists of approximately 800 notecards, typed in Spanish, covering the following areas: mayorazgos, litigios de tierras, tributos, obrajes, yanaconas, gananes, cacicazgos, haciendas, encomiendas.

These documents are from the Presidencia de Quito section of the Archive, and are for the most part from the seventeenth and eighteenth centuries. Geographical locations most frequently mentioned include Otavalo, Quito, Latacunga, Ambato, Ibarra, Loja and Riobamba.

Cards are ordered by subject, and each entry includes the following information: date of document, sigla, place, subject, title and summary of document, relevant quotations.

Box 36: Bibliographic Note Cards

Box 37: Archivo General de Indias (Seville), Index Cards, Quito Legajo 1-606, Lima, Santa Fe, Camara

Boxes 38 - 50: Archivo General de Indias (Seville), Rumazo Card Index

Box 38: Archivo General de Indias (Seville), Rumazo Card Index, Quito Legajo, 1-11

Rumazo, Jose, Card index for entries in the Archivo General de Indias (Seville, Spain) relating to the history of Ecuador: Collection of file cards, providing a partial annotated catalog of AGI holdings relating to Ecuador. Includes entries from the Audiencia de Quito, Lima and Santa Fe. The file is composed of handwritten cards, in Spanish, organized by legajo, according to both old and modern siglas. Entries are coded in the following manner, as a comparison of the Rumazo file with the Casagrande microfilm collection:

blue-green tabs: no corresponding Rumazo entry for entry in Casagrande file

red tabs: corresponding entries in both files, but Rumazo entry less complete

white-yellow tabs: corresponding entries in both collections, but Rumazo entry more complete, or entries are similar for both collections.
