W. R. Horsfall papers, 1977-2024

Horsfall's papers contain obituaries and a letter of appreciation regarding the life and work of William Robbert Horsfall. Included is a commemorative book, "Re-Work' No More!" written by Horsfall's wife, Annie Laurie Horsfall. These papers were donated by Horsfall's niece, Sara Fitzgerald.

The University Archives has not received any other papers by Professor Horsfall; most likely they were discarded upon his retirement or death.
