15/19/22
Liberal Arts and Sciences
Psychology
Jerry Hirsch Papers, 1955-1996

Materials Received Before 2004

Box 1:

Institute for Behavioral Genetics Annual Report, 1992-1993
Genetics Controversy (Schonemann correspondence), 1986-1995
Citizens Commission on Human Rights Pamphlets, 1996
Correspondence, 1965-1996
Racism Publications and Clippings, 1977-1994
Audiocassette tapes featuring speeches of well-known psychologists

Box 2:

Off Prints of Jerry Hirsch- IQ Controversy, 1971-1973
Hirsch, Jerry vs. Pearson, Roger in 6th Judicial Circuit Court, 1993-1994
Publication, „The Beyondist” newsletter, 1993-1996
Tyron Lectures, 1987
Hirsch Wedding Anniversary clipping, 1996

Subject File

Materials in this box of the subject file are organized into the following categories:

Box 3:

Personal and Biographical
Hirsch, Jerry- Biography
Hirsch (S.M.. and family)
Personal Correspondence
Uncompleted Correspondence
Personal and Medical Correspondence

Early Correspondence with Universities
University of California, Los Angeles Correspondence
Brooklyn College- Offers and Information
Columbia University Correspondence
University of California, Berkeley Records
University of California, Davis- Offers and Information
University of Michigan
University of Michigan- Psychology
University of North Carolina- Correspondence

Early University of Illinois Psychology Department Correspondence

1961-1962

1962

1963-1964

Psychology Department Advisory Committee, 1963-1964

1964-1965

1966-1967

1967-1968

1968-1969

1969-1970

1970-1971

1971-1972

Annual Psychology Reports

1961-1966

1966-1967

1967-1968

1968-1969

Psychology Classes

Behavior Genetics Program

Psychology 23 Autumn 1956

Psychology 125 Exams

Experimental Psychology Lecture Notes Winter 1956

Experimental Psychology Spring 1957

Psychological Measurement

Introductory Remarks

Intelligence Testing

Personality

Brain and Nervous System

Sensation and Perception

Motivation

Heredity

Maturation

Applications of Psychology

Materials in the rest of the subject file are loosely organized into the following folders:

Box 4:

Faculty Progress Reports, 1986

Faculty Progress Reports, 1992

Sorbonne Degree

Center for the Advanced Study in the Behavioral Sciences

Public Health Project: Genetic Factors in Conditioning, Experimental Records

Genetic Variables in Conditioning

Box 30:

Unclassified Correspondence (8 folders)

Travel Files

Box 31:

Includes documentation on conferences and meetings from 1963-1969. Travel files arranged according to location from United States only, including: CA, TX, IL, IA and KY.

Box 32:

Includes documentation consisting of international conferences from the 1980s, including Paris and Edinburgh. Also contains conferences held at the University of Illinois during the 1970s. Arranged alphabetically, beginning with B to I. “ ”

Box 33:

Alphabetical list of conference materials continues with I to V and range in date from 1970-1989.

Box 34:

Alphabetical list of conference materials continues with W to Z, including Washington D.C. and Western Ontario. Also includes travel files after 1990, including: Brussels, St. Louis, Paris, and San Francisco.

University of Illinois Materials

Box 35:

Contains materials concerning University contacts, committees and institutes, including: hazardous chemicals; tuition and fees; community information; funding; and films to be viewed in Psychology classes.

Box 36:

Contains materials concerning faculty and committee meetings including:

College of Liberal Arts and Sciences including meeting minutes, faculty appeals, and search committees.

Psychology Department including correspondence with Donchin and Hendersen, clinical division reports, cognitive and experimental division reports, course information and search and evaluation reports.

School of Life Sciences including bulletins and faculty meeting minutes.

Department of Ecology, Ethology and Evolution including general correspondence; newsletters.

Box 37:

Department of Ecology, Ethology and Evolution continued including search committee reports and the center for human-animal interaction.

Graduate College includes general correspondence.

Hirsch's progress reports from 1986-1992 for the following:

College of Liberal Arts and Sciences

Department of Ecology, Ethology and Evolution

faculty committees. Class Notes

Box 38:

Handouts, exams, exercises and class information for Psychology 342, 345 and 347 (1971-1990). Also includes film catalogues and film lists for classes and material related to Hirsch's IRP seminar

Box 39:

Class notes for Psychology 346, 419 and 493 (1962-1970). Also includes zoology department notes and newsletters from 1967-1969.

Lab Notes

Box 40:

1950-1959: experimental materials on High and Low Geotaxic Chromosomal assays. Contains data, experiments and analysis.

Box 41:

1960-1969: experimental materials on chromosomal assays and geotaxic score sheets.

Box 42:

1980s: experimental materials including reproduction isolation experiments

Box 43:

1970-1990: experimental materials including reverse selection data and more reproductive isolation experiment data.

Box 44:

1980-1990: experimental materials including natural selection experiments and geotaxic lines of drosophila.

Articles and Unfinished Manuscripts

Boxes 45-51:

This section of the Hirsch collection contains the later segments of Dr. Hirsch's work, ranging in date from 1987-1995, with heavy concentration in the early 1990s (specifically 1992). It includes correspondence to publications, articles both published and rejected, some book reviews and critical comments on publications.

Institutional Racism Program and Racism

Box 52:

Information and documents concerning the trials of David Irving and William Schockley libel suits, slides on the Intelligence Rating Report to Congress and materials on the Jensen controversy. Also includes University of Illinois reports on the Advanced Institute in Training for School Desegregation (1978) and the Advanced Institute in Training for Eliminating Sex Discrimination in School Programs (1978). This box also includes Internet and newspaper articles on racism and the bell curve.

Box 53:

This box includes 12 audio cassettes of the conference „Hirsch at 70" (1993) which discusses heredity, genes, behavior and intelligence. Also included is the Second Annual Symposium on Race, Education and Training proceedings (1976), transcribed interviews between Hirsch and Jensen (1970), publications on the Racism Conference (1994), Racism Conference correspondence (1994), and Dr. Hirsch's retirement conference (1993).

Box 54:

Genetics materials and correspondence (1997), Allan Chase correspondence (1980-1987), newspaper and magazine clippings on racism, inheritance, biology, and teaching methods, and Michael Terry's work, research and papers on sexual arousal in vertebrates.

Box 55:

Documents regarding the Institutional Racism Program at the University of Illinois and the National Institute of Mental Health publications, volumes 1-5 and unpublished papers and seminar reports, volumes 1-6.

NCAA Meetings and Reports

Box 56:

NCAA (1994) reports, newspaper and magazine articles, correspondence, legal briefings, final report, participants in initial proposal to McIntosh, Cosmos Club correspondence, meeting minutes and payment receipts. Also contains progress report material and a stack of index cards listing bibliographic references for the reports.

NIMH, NIGMS Site Visits

Box 57:

NIGMS site visits from 1969-1971, NIGMS committee meetings (behavioral science committee), NIMH proposals (1987-1988), applications for public health service grants (1987), NICHD site visits, University of Utah (1966-1968).

Box 58:

Hirsch's reviews of NIH grant proposals, B. Ginsberg NIH applications, NIMH reviews and proposals from various scientists dating from 1960-1980, NIMH site visits, NIH site visits (1970s).

Boxes 59-62:

4 cubic feet of grant proposals (funded and unfunded) and government contacts to the National Science Foundation (NSF), National Institute of Mental Health (NIMH), Institutional Racism Program (IRP), and the National Institute of Health (NIH) by Hirsch and his students.
