Leigh Estabrook Files

Files in boxes 69-73 are from the Deanship of Leigh Estabrook. These files include correspondence, committee records, materials relating to research done at GSLIS, policy-making, GSLIS's collaborations with external organizations, conferences attended by the Dean, programs and courses offered through the school, and information concerning faculty and students. Due to the mixed nature of the file we received, some materials not related to the administration of the College may be intermixed with these records.
