

20/1/6  
Institute of Aviation  
Director's Office  
Institute of Aviation Photographic File, 1915-2014

Box 1

**Print**

Administrative/Academic Office, individuals, 1969-98  
Administrative/Advisory Committee, individuals, groups, 1915-88  
Aerial photographs of airport, negatives, 1958-77  
Airport, facilities, signage, few negatives, 1958-92  
Negatives-individuals, facilities, groups, 1980-90  
Airport Terminal, airport dedication, facilities, new terminal building, personnel, events, some negatives, ca. 1950-94  
Aircraft Maintenance, personnel, working spaces, ca. 1970  
Aviation Maintenance Technology, group photos, individuals working, Link Scholarship winners, some negatives, 3 folders, ca. 1960-98  
Airport operations, personnel, facilities, some negatives, ca. 1969-99  
Research Laboratory photos, some negatives, Alexander C Williams portrait and in group, ca. 1970-93  
Institute of Aviation, University of Illinois, 1950-54 (3 folders)  
Graduation, 1992, 1993, 1994 and one date unknown, 1992-94  
Aviation Research Laboratory Photos, Early ILLIMAC Work, ca. 1970  
Aviation Research Laboratory Photos, Personnel, Facilities, Equipment, Early ILLIMAC, ca. 1970-74

Box 2

Institute of Aviation photos not scanned, equipment, accident photos, personnel, 1962-94  
Students, individual and group photos, awards, computer lab, ca. 1997-93  
Negatives-individuals, facilities, groups, 1948-75 (10 folders)  
Photos of seminar, cameras, airport at night, cockpits, proof sheet of individuals and groups, ca. 1969  
Institute of Aviation photos with note pages, 1953  
Non-Institute photos-Morris, O'Hare, air show, aerial photos, ca. 1995-2001  
Non-Institute photos-airshows, ceremonies, historical photos, ca. 1952-1975  
Non-Institute buildings at University of Illinois airport, ca. 1980  
Airport photos-inside and outside, personnel, ca. 1980  
Aircraft photos-in the air and on the ground, instructors, and students, 1970-98 (2 folders)

Box 3

Aircraft photos-in the air and on the ground, instructors, and students, 1970-98  
Alpha Eta Rho meeting, and negatives, 1962

Flying Teams, aircraft parts, packet of print material about the regional competition and victory by University of Illinois team, 1980-2000 (2 folders)  
Flight training staff, 1953-98  
Students in training, individuals, groups, ca. 1955-2014  
SATS-aircraft, flight crews, passengers, ca. 1960-70  
Special Events--awards ceremonies, career nights, retirement parties, airshow, disaster drill, open house, VIP visitors, ca. 1985-2014 (7 folders)  
Special Events, Flexman Retirement, 1980  
Transient aircraft—Non-University, private, military, ca. 1975-77  
VIP visit-Edwin Link, 1952  
Aircraft, personnel, facilities, ca. 1966-80  
Military aircraft and helicopters, ca. 1950-70  
Facilities, new terminal, retirements, summer workshop, personnel, ca. 1975-98

#### Box 4

Facilities, new terminal, retirements, summer workshop, personnel, ca. 1975-98  
Personnel, facilities, ca. 1945-75

#### **SLIDES**

Slides in sleeve pages of airport, aircraft, maintenance, classrooms, Goodyear blimp, aerial views, dance, 1965-75  
Slides in envelope of GAT-type simulator, also separate envelopes for GAT, Sport, Duchess, 1968-76  
Slides in envelope of Willard Airport, ca. 1974  
Slides in envelope of Local Sectional Chart and local airports and fields, ca. 1973-76  
Slides in envelope of unknown aircraft preflight and lecture slides, 1971-76  
Slides in envelope of local towers from the air, ca. 1975  
National Intercollegiate Flying Association (NIFA) 1988  
Field and flight maintenance, 1975  
Omer Benn, ca. 1970  
Training Slides, 1976  
180 degree approach, ca. 1975  
Aerial photographs of airport, 1984  
Airport photographs-aircraft, runways, dining area, 1971-77  
Slides of instruction manual, 1976  
Airport photographs-aircraft, instructors, 1970-77  
Airport terminal internal and external shots, ca. 1976  
Snow removal shots, 1972  
180 degree approach photos from cockpit, ca. 1980  
Airport operations photos, 1971-74  
Flying team, 1984

Box 5

Airport and local area shots, 1972-74  
 Airport, 1971-72  
 Meeting/conference, ca. 1977  
 Aircraft, buildings, personnel, aerial shots, 1971-72  
 Aircraft-individual and formation, ground and aerial shots, ca. 1976  
 Aerial shots-airport and local areas, 3 folders, ca. 1976  
 Training slides-diagrams and outlines, 3 folders, 1971-79  
 Helicopter photos and some helicopter training slides, 2 folders, ca. 1980  
 Various simulator photos, 1976  
 Institute of Aviation Staff slides, 1975  
 Simulator photos from American Airlines, DAC, JAL, 1976  
 Aerial shots of area surrounding airport, ca. 1976  
 Slides of old photographs-possibly World War II and earlier-non-Institute, 1976  
 Illimac slides-1974-80  
 Aviation Research Laboratory (ARL) Staff, ca. 1976  
 IFR Flight Planning/Preflight slides with Slide Guide/Outline, 1976-77  
 IFR Departure-slides with Slide Guide/Outline, 1976-77  
 IFR Enroute slides with Slide Guide/Outline, 1976-77  
 Instrument Approach, National Airspace System (NAS) Training Syllabus, 1976-77  
 Salem glider, 1974  
 Aerial shots of unidentified airfield, ca. 1974  
 Slides of unidentified location, aircraft, people, 1984  
 Historic slides of places, aircraft, people, non-Institute, 1976

Box 6

Unidentified slides-some aerial shots, some aircraft, some in-flight shots, ca. 1975  
 Non-Institute slides of aircraft, people, simulators, 2 folders, 1968-76  
 Slides of unidentified instrument panels, pieces of equipment, 1977  
 CD-Christ Wicken's Retirement, CD-Wickens slideshow, 2006  
 Envelope-Take Two and See, 1983  
 Envelope-Take Two and See-brochures, script for slides, 1983  
 Slides of pre-flight procedures, 1981  
 Slides on learning, 1977  
 Slides on fundamentals of instruction, 2 folders, ca. 1977  
 Slides of FAA course on instruction, ca. 1977  
 Envelope-101 Solo X-Country, 1970  
 Envelope-Why VSSE?, 1980  
  
 Envelope-Medical Aspects of Flight, 1976  
  
 Envelope-unidentified-aircraft, ca. 1980  
 Envelope-Facts of Twin Eng Flying-GAMA/Piper, FAA, 1980  
 Envelope-Randy Weston-Sport Lect., ca. 1980

Box 7

Envelope-unidentified subject, ca. 1980  
Flight Instructor Refresher Clinic Attendee Notebook, 8 folders, 1976  
##Envelope- ADF Slide Show ca. 1976  
Envelope- unidentified flight training?, ca. 1976  
##Envelope-AP-3, FAA ca. 1976  
Envelope-AVI 120-AVI wx [00-GA], clouds and wx, ca. 1980

Box 8

Envelope-How to Fly Your HSI, 1980  
Envelope-Teaching Meteorology to Pilots, 1976  
Envelope-CMI-BMI-GBG-SPI-CMI, 1970  
Envelope-Att Fly-FAA Stuff-ILS Slides, ca. 1976

Envelope- Engines-AOPA, 1976  
##Envelope- VOR Usage, 1971  
Envelope-Flt Dir, Stormscope, RNAV, HSI/RMI, ca. 1970  
##Envelope-AP-2 FAA, ca. 1970  
Envelope- Beechcraft Duchess and misc. aerodyne. 1984

##Envelope-AP-The Atmosphere, ca. 1970  
Envelope- AVI 210 Airborne-Radar Lecture, also King KWX 50 radar installed in Aztec 13783,  
1979  
Envelope-TCA's, ARSA's, TRSA's, ca. 1980  
Envelope-Fog, Stratus and Icing, ca. 1980  
Envelope-unidentified-aircraft mechanical, ca. 1980

Box 9

Envelope-Maintenance Aspects of Owning Your Own Airplane, 1980  
Envelope-Radar- "Don't Flirt-Skirt 'Em", 1981  
Envelope-AP-5-Thunderstorms and Turbulence, ca. 1970  
Envelope-Drew's Link Project, ca. 1970  
Envelope- Mixed loose slides-aircraft, aerial shots, boat and cargo, flight instruction, 1971-73

Large aerial photo of airport, 1987
