Clement F. Marley Papers, 1956-94

Explanation of Description of Marley Collection

**CI** (Collection)

**S. No.** (Sleeve Number) indicates the original order of the sleeve protector for negatives in series.

**Subject** describes images that each negative or slide contains.

**(5)** indicates the number of slides or negatives on a subject. Where several topics are included in a sleeve, the number of negatives is given after the first topical entry.

**Place** indicates location of shot (city, county, or farm).

**Date** indicates the year, month & day the shot was taken.

CI; S No.; Subject; Place; Date
