Sports Publicity Newspaper Clippings Microfilms, 1927-1973

NOTE: Reels 1 through 23 consist of scrapbooks containing newspaper clippings, press releases, publicity correspondence, announcements, brochures, and related material. Reels 25-126 consist of full page “tear-out” sheets from newspaper sport sections in which University of Illinois or IHSA events are covered. Reel 29 was missing at the time these microfilms were transferred to the University Archives from the Applied Health Sciences Library in 2013. Summary content notes for reels 1-24 were prepared when Archives student staff were available 2013-15. Subsequent reels were not examined but presumably would contain the same scope of material and topics.

NOTE: Collection is currently unavailable. Please contact an archivist for more information.
