 University Library Building, Plans and Specifications, 1921-29

Note: largely relates to 1921-23 work with Holabird and Roche initial design
 New Library Building: Furniture, Checkroom, Stacks, Lights, 1924-34
 Proposed Library, 1910-25

Includes photographs

Following three folders appear to have been transferred from the files of Supervising Architect James M. White (or to one of his successors) and sent to the Library prior to the Library's transfer of these records to the University Archives. These contain originals written by Windsor for which Windsor's carbon copies are found in the "Supervising Architect" folders in this series (Box 23) as well White's carbons of originals found in the "Supervising Architect" folders.
