University Librarian
Special Collections Acquisitions File, 1905-96

RESTRICTION STATEMENT

This series includes inventories of rare books and other manuscript and special collections as well as financial information regarding gifts and purchases.

Access will be granted to researchers only with the prior written permission of the Head of the Special Collections Division. If the Division Head is the University Archivist, access will be granted only with the written permission of both the Division Head and the Rare Book and Special Collections Librarian. In requesting access to this record series, researchers should provide a written description of their research project and a list of the file folders to which they desire access.
