9	Walker	Library staff - Robert Oram, Bill Garton
11	Administrative Staff Conference, Oram, February 4, 1976	Health Science Library and serials overlap; closing of libraries over holidays.

13-14		Copy machinery problems, copyright legislation.
15		Acquisition Policy and collecting levels.
17	Executive Committee, February 5, 1976	Oram. Letter from Louise Clark expressing concern re forthcoming automation.
21	Walker and Education Library Staff	Observations on attitude of some librarians towards students and reference.
23	BAC, Oram, February 9, 1976	Reinstatements.
27	Meeting with Walker	Louise Clark letter; automation; Library School Clinic on Library Applications of Automation.
30		Faculty status and tenure.
33	John Walker, February 12, 1976	Search process for University Librarian Atkinson.
35		Walker observations on Downs, L. White, Oram, Robert Talmadge.
37	Social Science Council, February 18, 1976	Re proposal for closing libraries on holidays in response to Vice-Chancellor Diana policy on energy savings.
41	Library Faculty Meeting, February 19, 1976	Statement on tenure and faculty requirements and response to Vice Chancellor Morton Weir.
45	Library Senate Meeting, February 20, 1976	Statement on departmental library committees.
47		Copyright legislation issues.
51	Education Library Staff Meeting, Walker	Administration of graduate and undergraduate student staff.
53	Budget Allocation Committee (BAC)	To devise a formula for library budgets; factors and weights.
57	Education Library - Chitra Jogdeo	Procedures for orders.
59	Education Library - George Jarmillo	Procedures for reference.
61	Martha Friedman	Barbour is changing style of her journal.
63	Weekly Summary	BAC meeting; allocation formula to cover monographs only. "Only Friedman, Garton, and Satterlee know what is going on."
65	Weekly Summary	Friedman's history of University Administration (Henry vs Corbally) ; faculty Senate.
66		History library staff and work assignments.

68	Weekly Summary	Friedman, serials cancellations and Religious Studies and reinstatements.
69		Eleanor Blum.
70	Meeting with Weir, Friedman and other AAUP members	Weir seeking advice on distribution of salary increase; Discussion of draft UI budget.
73	Meeting with Friedman at Governor's State	Board of Governors of State Colleges and Universities statement on collective bargaining.
75	Weekly Summary	BAC discussion of prospective budget and need to request more funds.
77	Interview of Robert Downs	Administrative style; comments on his successors (L. White R. Oram) appointment of Atkinson, views on automation, its costs and loss to collection.
79		Personnel problems Atkinson will face.
81		Faculty statues for librarians.
82		Relationship of the library to the university at large.
84	University Library Council Meeting (Oram, Pizer, Ernst, Goldhor, and Westbury)	Announced that Weir held up tenure for people from Library because Library had no meaningful criteria. On-line retrieval system for Medical Center (Martha Williams). Copyright legislation and university inaction on pending legislation.
87		Budget planning.
89	BAC Meeting	Allocation formula - weights and criteria.
91	Friedman	Comments on Downs interview, Oram.
93	BAC	Budget problems, Ruth Powers concerns re Chemistry Library subscription to <u>Science Citation Index</u> .
97	Executive Committee	Committee reports.
98		Friedman observations on Ruth Powers and Chemistry Library.
99	Friedman	Letters she wrote to Weir re tenure and status of Library committees; and University statutes.
100	Weekly Summary	Observations on Friedman's unique position in regard to her knowledge of campus administration, a dangerous position because it is not understood by the library. (Which operated under Downs as apart from the University). Coming of Atkinson is source of fear and mistrust.

102	Acquisitions Department	Book selection process.
104	Interview of Bill Garton	Role of Director of Public Services, especially White/Oram as Acting Director. Appreciates Downs role in building the Library but recognizes a need for administrative change and automation. Observations on appointment of Atkinson.
107		Re tenure and Weir's desire for across-the-board guidelines.
108		Report of her presentation to a Law class (cf. p. 103) at which Chancellor expressed animosity toward the Library.
109	BAC Meeting	Huff, Brown, Talmadge, Satterlee and Oram. Concern that Library still had much of "extra" money unspent. Arguments over purchase of duplicates of some reference works. "Like a fresh mackerel before a gang of cats"
112		<u>National Lampoon</u> and other items for Browsing Room. Discussion whether there should be a Browsing Room.
115	Weekly Summary/Interview of Oram	Meeting with Oram. His views of Downs. Oram's formative experience was at Kansas under a more "democratic leader." Comparison of Downs to L. White and White's support for participatory governance. Oram's response to Friedman's letter to Weir on statutes.
117		Oram's views on Library within university at large. Criticism of Friedman and unnamed others for harming Library vis à vis university.
118		Comments on Atkinson appointment; Charles Churchwell, and himself as alternative candidates. Oram's preference to be Associate Director. Campus preference was for Atkinson and Library faculty should have asserted their rights to object.
120-121		Ohio State Library and automation. Automation is costly and will be introduced at expense of book collection. Oram's views on his role at UI, and Barbour's opinions of Oram.
125	Weekly Summary	Observations on the journal and the internship experience.
127	Interview of Robert Talmadge, May 4, 1976	His views against automation, perceptions of university administrators' roles in search

129		Tenure and faculty status, “cataloging is the only professional duty that the librarian performs therefore just the job itself is the only requirement necessary.”
129-130		Fondness for Downs and President Henry.
