Restricted: files in this series which provide identification of individual students and which constitute student records as defined by the Family Educational Rights and Privacy Act are restricted from access except on prior written approval of the student so identified. In the case of any deceased student, the researchers may apply for access provided they supply an obituary or other indication of death for any student in a record less than 75 years old. All requests for access should be submitted in writing to the University Archivist, and all decisions on access will be provided by the University Archivist in writing.
